GAS PIPE DIAGRAM

Farr West City Building Department requires that a detailed gas pipe line diagram is provided with ALL new/upgrade gas meter requests. The line diagram must show pipe sizes, pipe lengths, and all fixture BTU amounts. Failure to provide this information will result in a denied request.

*2021 IRC R106.1.1 Information on construction documents. Construction documents shall be drawn upon suitable material. Electronic media documents are permitted to be submitted where approved by the building official. Construction documents shall be of sufficient clarity to indicate the location, nature and extent of the work proposed and show in detail that it will conform to the provisions of this code and relevant laws, ordinances, rules, and regulations, as **determined by the building official.***
