

# Annual Cleanup

From Weber County Wiki

Weber County typically provides a dump truck for use in cleaning up around Pineview Reservoir, and in the Ogden Canyon. Volunteers come and pick up litter and other trash around the water and load it in the truck. The County then takes the truck and disposes of the trash at the landfill.

## 2011

The Ogden Canyon Cleanup had 50 volunteers October 16, 2010. There was story about it in The Ogden Valley News November 1, 2010. The County provided a dump truck for cleanup.

## 2010

The annual cleanup was on Friday, April 23, 2010. They had one load that they took to the dump.

## 2009

The annual cleanup was on Friday, April 24, 2009. Where the County provided a dump truck that was filled with debris from around the reservoir.
