

# Curb Decals

From Weber County Wiki

Weber County purchases curb markers and adhesive which they provide to the communities within the County. These markers are placed at the storm drain inlets to remind people that the water drains to a stream, and that they should try to keep it clean. There have been scouts that have taken the curb markers and installed them as part of their Eagle Scout projects.

## 2010

- 2010-05-18 - Gave 150 Curb Markers to Farr West City.
- 2010-05-26 - Gave about 70 more curb markers to Farr West City.

## 2009

- Several scout projects
