

Farr West Farms - Heritage Trail

BRIEF DESCRIPTION: Farr West has acquired a 3.6 acre parcel of land to be used as a regional detention basin. The top perimeter of the basin is large enough to be accessed for detention basin maintenance and is ideal for use as a regional trail system. Residents from Farr West as well as nearby Plain City will be able to safely walk the pathway around the basin without worrying about vehicular traffic. This trail will connect a small park along Heritage Dr with the pathway around the basin.
